

# A NEW MIGRATION STRATEGY FOR AUSTRALIA

On 11 December 2023, the Australian Federal Government announced a new migration strategy which contains **8 key actions**, over **25 new policy commitments** and areas for future reform.

## 8 KEY ACTIONS

### **1. Targeting temporary skilled migration to address skills needs and promote worker mobility through:**

- Introduction of new streams;
- Simpler occupation lists;
- Simplified labour market testing process.

### **2. Reshape permanent skilled migration for long-term prosperity through:**

- Reformation of points system;
- A new talent and innovations visa.

### **3. Strengthen the integrity and quality of international education through:**

- Higher English language requirements for international students and graduates;
- More scrutiny of high-risk student visa applications and a \$19m investment into the Home Affairs student visa integrity unit;
- Restrictions on onshore visa hopping that undermines system integrity and drives permanent temporariness.

### **4. Tackling worker exploitation and the misuse of the visa system** through a comprehensive suite of legislation, powers, penalties and policies to combat worker exploitation.

### **5. Planning migration** to get the right skills in the right places.

### **6. Tailoring regional visas and the Working Holiday Maker Program** to support regional Australia and its workers.

### **7. Deepening our people-to-people ties in the Indo-Pacific** which includes direct pathway to citizenship for New Zealanders and increased mobility with Pacific Island and Southeast Asian countries.

### **8. Simplifying the migration system to improve the experience for migrants** and employers which includes the removal of 20+ unnecessary and duplicative visas to simplify the visa system.
